# Welcome to Trilochem Chemicals

Trilochem Chemicals provides premium raw materials and chemical solutions for paints, inks, and construction industries. Our customer-focused service, technical support, and reliable supply chain make us a preferred partner for quality and performance.

## **About Us - Trilochem Chemicals**

Founded with a vision to empower manufacturers with high-quality raw materials, Trilochem Chemicals specializes in the distribution of specialty chemicals for paints, coatings, inks, and construction. We collaborate with top global producers to bring reliable, high-performance materials to our clients.

## **Our Mission**

To be a reliable partner by delivering consistent quality, technical support, and customized chemical solutions.

## **Our Vision**

To lead the specialty chemical distribution space with innovation, transparency, and value-driven partnerships

## **Our Key Segments**

Architectural, Industrial, OEM, Wood, Protective & Glass Coatings

## **Paints & Coatings**

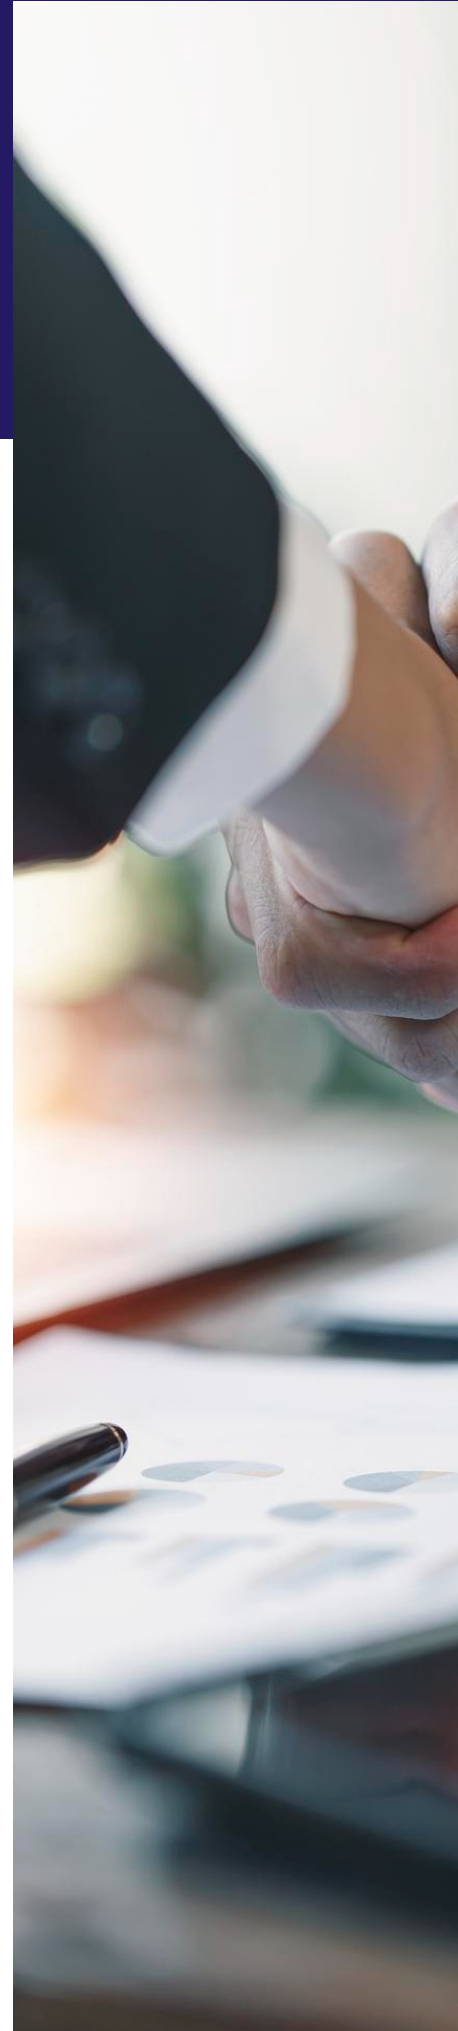

Specialty Additives, Pigments, Resins, Driers, Emulsions, PUDs

## **Inks**

Water-Based, Solvent-Based, UV-Curable Inks - Specialty Additives, Pigments, Oligomers

## **Construction Chemicals**

Tile Adhesives, Grouts & Mortars, Waterproofing Systems - Additives for enhanced performance and durability

## What We Offer

- Additives, pigments, and resins for coatings and inks
- Performance-enhancing additives for construction chemicals
- Technical guidance and formulation support

## PRODUCTS

- Dispersants
- Defoamers
- Surface Modifiers
- Water Addition
- Colour Sand
- Paint Driers
- Alkyd Resins
- Frp Driers And Accelerators
- Titanium Di Oxide (Tio<sub>2</sub>)
- Construction Chemicals
- Pigments
- Universal Sb Tinter
